NEW ENGLAND ASSOCIATION OF SCHOOLS AND COLLEGES EVALUATIONS POLICY

In preparation for high schools New England Association of Schools and Colleges (NEASC) evaluations the *Mission Statement* and *Expectations for Student Learning* will be presented to the School Committee for approval.

The high school principals will meet with the School Committee and brief the committee upon receiving responses from the NEASC Evaluation Committee pertaining to the following:

- the initial NEASC visitations where the committee would be provided with copies of the *Commendations* and *Recommendations* for each of the Learning Standards,
- the two year follow-up reports,
- the five year follow-up reports, and
- all special reports requested by NEASC during the ten year period between evaluations.
