EDUCATION AGENCY RELATIONS GOALS

The School Committee appreciates the place and importance of an educational system in its greater environment, which includes other organizations and institutions dedicated to education. It believes that much is gained through cooperative endeavors with other agencies.

To maximize educational opportunities within the Chicopee Public Schools, as well as in the larger educational environment, the School Committee establishes these broad goals within which Administration will develop activities:

1. To encourage liaison with other educational agencies.
2. To supply educational services to other educational agencies.
