

CHICOPEE PUBLIC SCHOOLS

**Acceptable Use and Internet Safety
NON-STUDENT USER AGREEMENT**

Every non-student user must read and sign below:

I have read, understand and agree to abide by the terms of the foregoing Acceptable Use and Internet Safety policy. Should I commit any knowing violation or in any way knowingly misuse my access to the District's computer network and Internet, I understand and agree that my access privilege may be revoked and appropriate disciplinary action may be taken against me.

I understand that access is being provided me for educational purposes only. However, I also understand that it is impossible for the School to restrict access to all offensive and controversial materials and understand it is my responsibility for abiding by the Policy. I am therefore signing this Policy and agree to indemnify and hold harmless the School, the School District and the Data Acquisition Site that provides the opportunity to the School District for computer network and Internet access against all claims, damages, losses and costs, of whatever kind, that may result from my knowing access to such networks or my knowing violation of the foregoing Policy. Further, I accept full responsibility when such access is not in the School setting.
